

From EFS4, 9-13 May 1995, Martina Franca to
EFS 13 Martina Franca, Italy, 10 - 14 May 2015: 20 years later

Dear Colleagues,

we would like to remind you that the deadline for:

«13th European *Fusarium* Seminar », dedicated to the Memory of Wally Marasas

**“*Fusarium* – Pathogenicity, Mycotoxins, Taxonomy, Genomics, Biosynthesis, Metabolomics,
Resistance, Disease control”,**

10th of March, is very close. Please, go on the website to consult the preliminary scientific program, the social program and all other information useful for organizing your participation to the event.

We are delighted to invite you to this exciting scientific seminar organized by ISPA “20 years later” after the EFS4 held in Martina Franca, and to welcome you once again to Bari.

EFS13 – 10-14 Martina Franca– 2015 <http://efs13.mycored.eu> efs13@ispa.cnr.it

Antonio Moretti & Antonio Logrieco Chairs of EFS13
